

# Finally, life insurance that doesn't intrude on life.<sup>1</sup>

Faster & less  
invasive

Now life insurance is less  
invasive with no medical exam.

## The **OLD** way

**Application.** You will complete an application covering your personal information and medical history.

**Medical Exam.** Typically, paramedics will be scheduled for a home visit, where they will:

- + review your medical history
- + take your height and weight
- + check your temperature, blood pressure, and pulse rate
- + perform some additional invasive elements of a physical exam

**Application is submitted.**

## The **NEW** way from SBLI

**Application.** You will supply your insurance agent with some basic personal information.

**Telephone Call.** A 20-30 minute telephone call will be scheduled at your convenience and a courteous insurance professional will ask questions about your medical history.

**Application is submitted.**

**Affordable as always. Even more convenient. Faster than ever.**
